

Zadania szachowe w ramach ćwiczenia umysłu.

Zadanie: Należy zaszachować czarnego króla.

Proszę podać własne propozycje ruchu białych
bierek zapisując je „zapisem szachowym”.

Kolejne strony przedstawiają możliwe, optymalne (ale nie jedyne)
posunięcia.

Proponuję: Zaprosić do rozgrywki Partnera i spróbować się w praktycznym
działaniu.
